THE PREZ SEZ

It is with deep regret that I announce the passing of Laura Martin. Laura, Brad W3QV's XYL, has long been a friend of Phil-Mont as well as an honorary member. We will all miss Laura's pleasant smile and personality.

At the coming meeting we are going to have a combo auction. Don't forget to bring some good stuff (please leave junk at home) and help the club raise some needed funds.

Your board of directors voted at the September mid-month meeting to raise the dues to \$10 for regular members and \$5 for associates. This raise is the first in over twenty years and is necessitated by rising costs. The club will, in the future, endeavor to provide chow at meetings and events for free if finances permit as well as other new subsidies. The intent of the dues raise is to continue to provide the members with a quality monthly news bulletin, events and new enhancements in an inflationary economy.

Please read the dinner dance announcement within this issue. There are only 150 tickets available. However, we must fill all of these seats to make this event a financial success. The policy is: if Phil-Monter's won't fill the seats then others will acquire the benefit. So get those checks in early!

DEATHLESS PROSE COMPOSED FOR THE BENEFIT OF POSTERITY

September 11, 1970 was a day to go down in history. An event occurred on that day which is comparable, at least, with the achievements of Christopher Columbus, Ferdinand Magellan or at least Lewis & Clark. W3QQH, W3WXC, W3DSG, W3GIF and one young man K3UWO (all outstanding members of Philmont Mobile Radio Club) braved the perils of the road, the dangers of the wild and the vagaries of the weather; and took the Yellow Peril to Reading.

We went with the announced purpose of presenting a program on Mobile Radio activities. We did just that. We showed the masterful production of "Every Single Minute" which was well received. We also had the Comm Vehicle on display and seemingly made a good impression on the assembled multitudes. The Reading Radio Club, our gracious hosts, have interests in general amateur radio instead of a specialized interest such as Philmont has. They apparently were rather surprised at what could be done in the field that we are working.

It is always a pleasure to take our bus, which is a remarkable piece of equipment. Our film is also quite a production for a group of "amateurs". There are times when I am given to presenting a facetious outlook on things; I really feel privileged to go to a meeting like this as a Philmont member.
